WORK EXPERIENCE

IT Support

Alpha Delta Kennel (Sister Company of Feather Management Manpower)
Abu Dhabi, UAE
Oct 2021 – Present

- Provided IT support in a fast-paced, high-volume environment, ensuring smooth daily operations across hardware, software, and network systems.
- Communicated clearly in English while assisting users, documenting issues, and coordinating with internal and external teams.
- Managed data accurately through meticulous record-keeping, system logs, and secure handling of sensitive information.
- Utilized Google Workspace, Microsoft Office, and generative AI tools (Gemini, Groq , ChatGPT) to streamline workflows and improve productivity.
- Supported multiple projects simultaneously, prioritizing tasks effectively and meeting tight deadlines.
- Collaborated with diverse, multicultural teams with professionalism, cultural sensitivity, and a consistently positive attitude.
- Maintained strong cybersecurity practices, system documentation, and organized digital processes to ensure operational reliability.

Document Controller / IT Support

Feather Management Manpower – Abu Dhabi, UAE
Oct 2013 – Oct 2021

- Managed, organized, and maintained company documents, ensuring accurate filing, version control, and easy retrieval of records.
- Prepared, reviewed, and processed document submissions, purchase requests, and procurement-related documentation.
- Maintained document registers and ensured compliance with company document control procedures and standards.
- Coordinated with internal departments and external vendors to ensure timely submission and approval of technical and administrative documents.
- Provided IT support across the organization, including installation, configuration, maintenance, and troubleshooting of computer systems, printers, and peripherals.
- Monitored and maintained office network connectivity, hardware, and software to ensure uninterrupted business operations.
- Performed system updates, implemented basic cybersecurity measures, and ensured proper backup and protection of company data.
